Hi Mindy,

Thanks a whole lot for doing this. AS has nothing to report re solid waste and wastewater.

1. For beach information for the last quarter, please see the files below that have "beach". It is the same file, just two formats.

2. For drinking water, that information comes from EPA's drinking water section,,Brian Smith and Dave...

If you have questions on the beach data, feel free to call LT. Elena Vaouli at ASEPA, 9-1-684-633-2304. I'll be in the office on Tuesday.

-Carl
